

We help Veterans find **opportunity, stability, and improve their future.** We build stronger families and neighborhoods by partnering with donors and volunteers to construct attractive, affordable homes.

## TYPE OF WORK WE CAN DO

**A Brush With Kindness** - exterior work including: painting, patching, minor repair and landscaping.

**Weatherization** - a comprehensive energy audit focused on reducing monthly utility bills, followed by work that may involve windows, doors, insulation and mechanical.

**Critical Home Repair** - interior or exterior work to address critical health, life and safety issues or code violations.

**New Home Construction** - we build and rehab attractive, affordable, and energy efficient homes for first time home buyers.

## WHAT DOES IT TAKE TO QUALIFY?

**Need** - Participants must own their home to qualify for home repair, or be a first time home buyer to qualify for homeownership, and have a verifiable need that falls within our scope of work and capabilities.

**Willingness to Partner** – Participants must be willing to attend home owner education classes and commit to sweat equity. We believe people need a hand up, not a hand out so your investment and participation are an important part of our program.

**Ability to Pay a Small Portion of the Costs** – Habitat provides funding for the majority of the expenses, however, every participant will be responsible for paying a small portion of the total cost.

## SERVICES OFFERED FOR VETERANS

New Home Construction

Rehabilitation of Existing Homes

Critical Home Repair

Homeowner Education  
& Financial Literacy

## NEXT STEPS

- **Call our office** to answer any questions and discuss how we can help you.
- **Visit our website** at [www.schabitat.org](http://www.schabitat.org) to complete the Homeownership or Home Repair Questionnaire.
- **Attend** a Habitat Application Workshop.
